Johnathan Augustine, PMHNP

**Avoyelles Hospital is pleased to welcome
Johnathan Augustine, PMHNP, to our staff.**

Johnathan is a board certified psychiatric mental health nurse practitioner who graduated from Southeastern University. His background includes pediatric, adult and geriatric psychiatry. Johnathan will work with patients to provide and manage care.

Johnathan's health care services include evaluation and the establishment of diagnoses, the formulation, selection, and administration of therapeutic treatments, prescribing medications, consultation, and care coordination of a wide range of psychiatric disorders. He is available for any of your mental health needs, including seeing patients in clinic and nursing home settings.
